Mr. [REDACTED]  
[REDACTED]  
St. Louis, MO 63136

Dear Mr. [REDACTED]:

A very thorough investigation of your complaint has been completed by the Bureau of Professional Standards. All of the investigative findings have been given to me and I have carefully reviewed the entire incident.

Your statement, coupled with the statement of the officers involved, produced conflicting versions of what occurred. You produced documents and photographs as evidence of the alleged abuse you endured; however, you failed to relate any of this information until after your release from custody, yet you had ample opportunity. In light of this, I find it difficult to attribute your injuries to the conduct of the involved officers.

Based on all the pertinent facts, I am unable to find any evidence which would tend to support your allegations that officers from this Department acted improperly.

Therefore, based on the absence of conclusive facts, I have ordered the investigation concluded unless additional facts become available.

Sincerely,

Timothy E. Fitch  
Chief of Police
